

The Church Friendly Family

Some thoughts from Randy Booth...

True love for Christ is always manifest by true love for His Church (i.e., His Body). Love for Christ is not simply a sentimental feeling toward Jesus but rather the day-to-day service we give to one another “Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith.” (Gal. 6:9-10). Like any healthy body, the Body of Christ demonstrates its health by functioning in harmony for the good of the whole. Scripture calls us to love one another, pray for one another, serve one another, weep with one another, rejoice with one another, exhort one another, edify one another, submit to one another, comfort one another, etc. All of this is *seen* in the real-life visible actions of hospitality, visitation, physical labor, communication, support, participation, sharing, prayer and much more.

SPRING BALL

Saturday, February 26, 2012, 6.30-9.30pm

St. Michael's Catholic Church, Cary

**At the Spring Ball we have room for 140 participants.
Conference registrants' requests will be honored first.**

Housekeeping and Etiquette Rules to make the evening enjoyable for all:

Gentlemen: This dance requires semi-formal to formal attire. That means at minimum, dress slacks (no denim), a collared shirt and a tie. A note to the younger unmarried men... it is your role to see that all the ladies have an opportunity to dance. If a lady declines your offer to dance, be courteous and do not ask why. Young men who wish to dance with any of the single young ladies should ask permission of the father prior to approaching the lady.

Ladies: Modesty is required. Your best church dress will suffice or you can be more formal. Dresses should have modest necklines (no strapless, spaghetti straps or backless styles) and your arms should be able to move freely and modestly in all directions with your dress staying in place when you bend over. Your hemline should be at or below the knee as the dances are very lively, and you will need shoes that you can almost jog in. Ballet slippers or Mary Janes that won't slip off work well.

This is a great event for the whole family. Enjoy dancing with your spouse and your children. Take the opportunity to teach your young men how to ask a young lady to dance, and later how to offer her a drink and seat her with her family. It is helpful for families to have a designated area to regroup after dances, so that little ones can be checked on, and young people can know where to find their parents if they need them for dance partner input. We encourage children to be active participants in our evening together, and learn the little courtesies that make this event fun for everyone involved. This is a great opportunity to train toddlers as well as teenagers.

We plan to have the dance order posted at the Ball so that you can plan ahead. This list will include whether or not the dance is a mixer (where you continually switch partners) and what ages the dance is appropriate for. This is only a guideline, parents discretion as to age appropriateness for the dance is desired.

The refreshments and food will be supplied by St. Michael's.

See you at the Ball!
